## CHANGING YOUR IRA WITHDRAWALS

For members with automatic IRA withdrawals – you may change your withholding election at any time before receiving your payment. IRA withdrawals are subject to federal income tax withholding unless you elect no withholding. Withholding from IRA payments, when combined with other withholding, may relieve you from payment of estimated income taxes; however, your withholding election does not affect the amount of income tax you pay. You may incur penalties under the estimated tax rules if your withholding and estimated tax payments are insufficient. Contact us if you need to verify or change your withholding. Please consult with a tax advisor if you need advice about your withholding.
