My name is Josh Kassulke and I'm a financial advisor with Educators Investment Services. **I specialize in educating members about their options, making complex topics simple and calming fears.**

I was inspired by my parents and their financial advisor, and I began working in financial services in 2017. I am also a Chartered Retirement Planning Counselor (CRPC).

I have been married to my wife, Kara, for over 20 years, and we have one daughter and three sons.

I enjoy tennis, pickleball, fishing and the occasional round of golf with my boys.

My main goal is to help everything run smoothly in the department. Helping to make sure all the appointments are scheduled, and client's needs are met.

I have been with Educators Credit Union for nine years. I joined the Educators Investment Service team five years ago. I am very passionate about assisting the advisors as they help clients address their financial goals.

I have been married for 19 years and enjoy snowmobiling, gardening, and helping my husband in the garage with all types of projects. I love spending time with my family, as I am a caregiver to my handicap brother.
